New Ground

January 2026

## Reaching Our Goals!

Did you know that your monthly support is what helps get our boots on the ground in Montana? As of January 2026, we are excited to announce that the Price family is 50% funded toward our monthly goal of monetary support. We were blessed with the opportunity to travel to Bozeman in October for some team building experience. This trip was an encouragement for us as a team, but also made us excited to get on the field in Bozeman, Montana. Thank you all for your support and continue to pray that we will get the remaining 50% so we can get our "boots on the ground" soon!

### Adventure Starts at 40

Lacey turned 40 during December and many of her friends gathered to celebrate the occasion. Thanks to their generous birthday gifts, we were able to add around \$700 to our account. We appreciate the partnership, support, and love as we carry on with this adventure!

#### Meet Shaylee

Shaylee is our 10 year old daughter who enjoys softball, doing nails, and spending time with her friends. Please pray for her as we transition to Bozeman. She is worried about leaving her friends!

#### Meet Barrett

Barrett is our 7 year old son who loves meeting new people, doing puzzles, and playing games. Please pray that Barrett will continue to grow in his faith and readily sing or share his testimony.

## Prayer Requests

Pray for open doors for us as we work on scheduling appointments for 2026. Pray that God will open people's hearts and minds to our vision for Montana.

Pray for monthly supporters. The only way we get on the field in Bozeman is by people committing to give MONTHLY to the mission.

Pray for the hearts of the people of Bozeman. We believe that God can go before us and work in their hearts so they will be receptive to the Gospel.
