

June 2026 Ministry Update

We have exciting news to share!

After many months of preparation, fundraising, planning, and prayer, we have officially been approved to move to Bozeman, Montana on July 1. We are incredibly grateful for God's faithfulness throughout this journey and for the many people He has used to help make this possible.

Whether you have prayed for us, given financially, encouraged us with a kind word, invited us into your church, or followed along with our journey, **thank you**. Every act of support has played a role in helping us reach this milestone.

As we prepare to make the move, our hearts are filled with excitement for what God has in store. Bozeman continues to be one of the fastest-growing communities in the country, and many people there have little or no connection to a gospel-preaching church. Our mission remains the same: to share the Gospel, make disciples, and plant a healthy church that will impact Montana for generations to come.

How You Can Continue to Help

Pray. Please pray for safe travels, a smooth transition for our family, and open doors for ministry as we begin building relationships in our new community.

Stay Connected. Follow our journey through our website and Facebook page, where we will share ministry updates, prayer requests, and stories of what God is doing in Montana.

Partner With Us. As we begin ministry in Bozeman, we are still working toward our long-term support goals. If you are not currently partnering with us financially and would like to help reach Montana with the Gospel, we would be honored to have you join our team. One hundred percent of all designated gifts go directly to our ministry in Bozeman through Free Will Baptist North American Ministries.
