

## We're Finally Here!

After months of praying, planning, traveling, packing, and saying countless goodbyes, we're excited to share that we have officially arrived in Bozeman, Montana!

The journey to this point has been incredible. God has faithfully provided every step of the way through churches, individuals, friends, and family who have prayed, given, and encouraged us. We are so grateful for each of you. Your investment has made it possible for our family to take this step of faith.

These first few weeks have been filled with unpacking, getting settled into our new community, meeting people, learning our way around, and beginning to build relationships. While there's still plenty of work ahead, it's exciting to know that we're no longer preparing to plant a church—we're here, and the work has begun.

Please continue praying as we intentionally seek opportunities to meet our neighbors, connect with families, and share the hope of Christ throughout Bozeman. We believe God has already gone before us, and we're eager to see what He has planned.

## We Still Need Your Partnership

Although we've reached Montana, our financial support is not yet at 100%. Our monthly support is what allows us to remain on the field, invest in relationships, and focus on planting a healthy, gospel-centered church.

If you've been praying about partnering with Mission Montana, now is a wonderful time to join the team. Whether your gift is \$25, \$50, \$100, or another amount each month, every partnership helps provide the stability needed to reach people with the Gospel in one of the least-churched regions of America.

## What's Next?

While the moving truck has been unpacked, the real work is just beginning. Over the coming months, our focus is on laying a strong foundation for our church. Here's what we'll be working toward:

### Building Relationships

Our first priority is getting to know people. We'll be spending time in our neighborhood, local coffee shops, parks, community events, and wherever God opens doors to build genuine friendships and share the hope of Christ.

### Becoming Part of the Community

We want to serve Bozeman, not just live here. We're looking for opportunities to volunteer, support local events, and become a trusted presence in the community as we demonstrate Christ's love in practical ways.

### Developing a Core Team

Healthy churches are built through committed disciples. We'll be praying for and investing in individuals and families who share a passion for seeing a gospel-centered church established in Bozeman.

### Sharing the Gospel

Every new conversation is an opportunity to point someone to Jesus. Please pray that God would give us boldness, wisdom, and open hearts as we begin building relationships throughout the city.

## Prayer Requests

- Pray for Divine Appointments – Ask God to open doors for meaningful conversations and friendships with people who need Christ.
- Pray for our Future Church – Pray for wisdom as we lay the foundation for the church, make important decisions, and build a strong core of committed believers.
- Pray for Our Support Team – Ask God to provide the remaining monthly financial partners needed so we can devote ourselves fully to the work He has called us to do.
- Pray for our Family– Shaylee and Barrett are adjusting well to our new neighborhood. Pray for them to have good friendships and that they will continue to adjust as they begin classes at their new school.
